In addition, therefore, it does not contain any new or modified "information collection burden[s] for small business concerns with fewer than 25 employees," pursuant to the Small Business Paperwork Relief Act of 2002. The complete text of this document is available for public inspection and copying from 8:00 a.m. to 4:30 p.m. ET Monday through Thursday or from 8:00 a.m. to 11:30 a.m. ET on Fridays in the FCC Reference Information Center, 445 12th Street S.W., Room CY-A257, Washington, DC 20554. SUMMARY: On March 27, 2015, the Commission released a public notice extending the deadlines for filing comments and reply comments in response to Section IV.B of the Special Access FNPRM in the Commission's special access rulemaking proceeding until July 1, 2015 and July 22, 2015, respectively. On December 11, 2012, the Commission adopted an order requiring providers and purchasers of special access and certain entities providing "best efforts" service to submit data and information for a comprehensive evaluation of the special access market and, in Section IV.B of the accompanying Special Access FNPRM, sought comment on changes to its rules for special access services provided by incumbent local exchange carriers in price cap areas. The process for facilitating public access to the data consistent with the protective order released on October 1, 2014 is ongoing but the data is not yet available, and there is insufficient time for the public to access and review this information before filing

comment and reply comments. The Bureau therefore extends the deadline for filing comments until July 1, 2015 and reply comments until July 22, 2015.

Federal Communications Commission.

Pamela Arluk,
Acting Chief, Pricing Policy Division, Wireline Competition Bureau.
